

# BookTalk

WHERE EVERY PAGE SPARKS A CONVERSATION

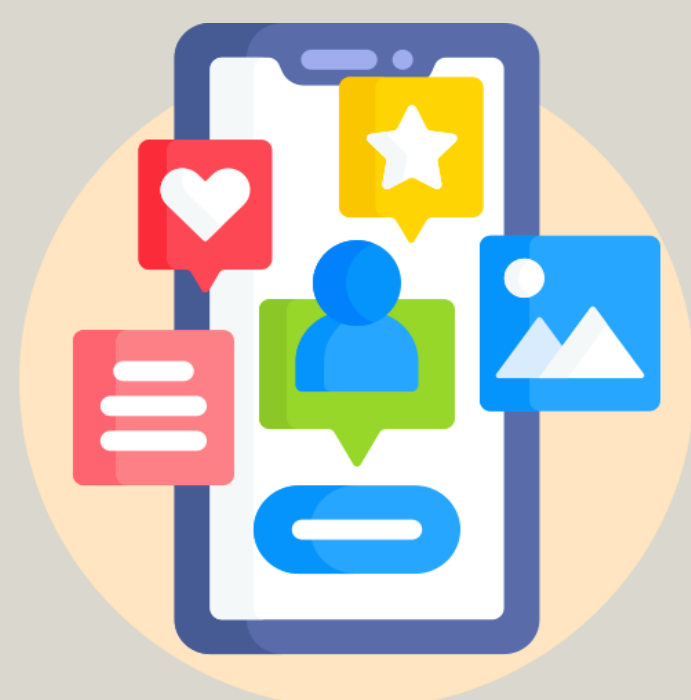

Manan Patel, Riya Patel, Tulsi Tailor

## INTRODUCTION

### What It Is

The book community is ever-growing and needs a designated platform to share and communicate

### Why We Need It

Provides a social media platform for readers to interact with others like them

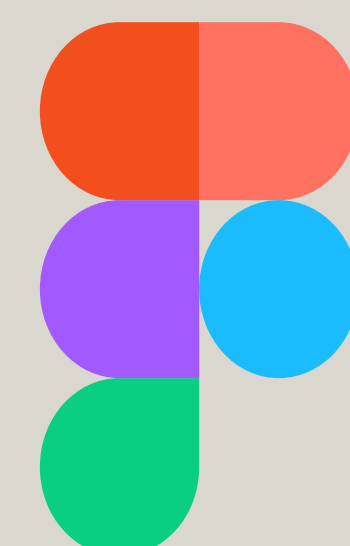

### Who Can Use It

Anyone in the book community whether that be serious readers, casual readers, new readers, or writers can join

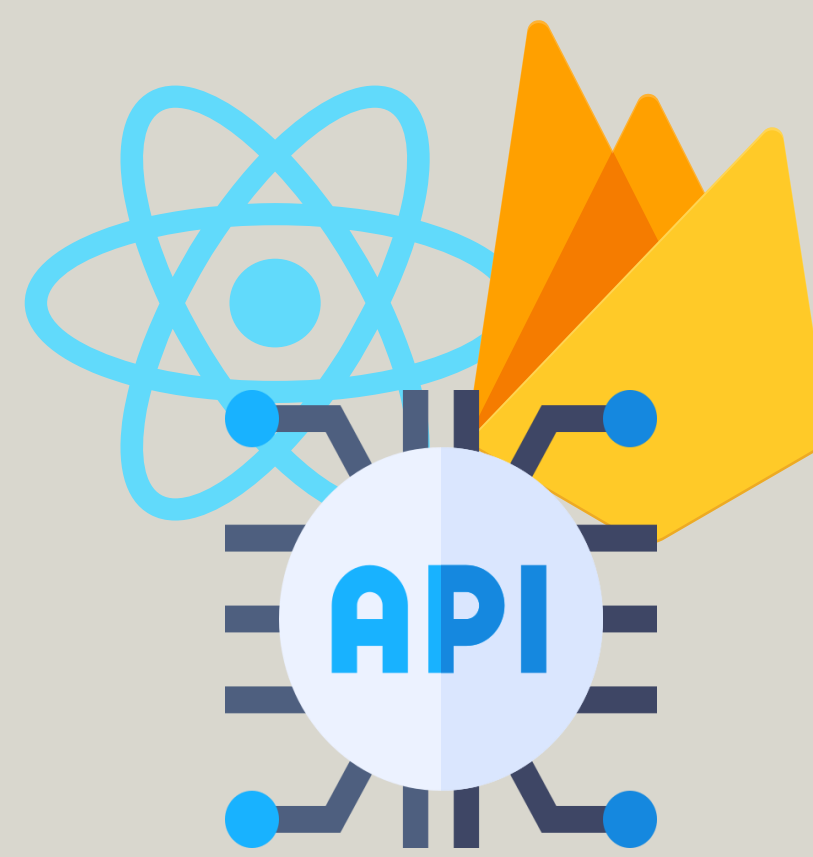

## IMPLEMENTATION

Idea  
Generation  
Brainstorming

Design  
Prototype  
Figma

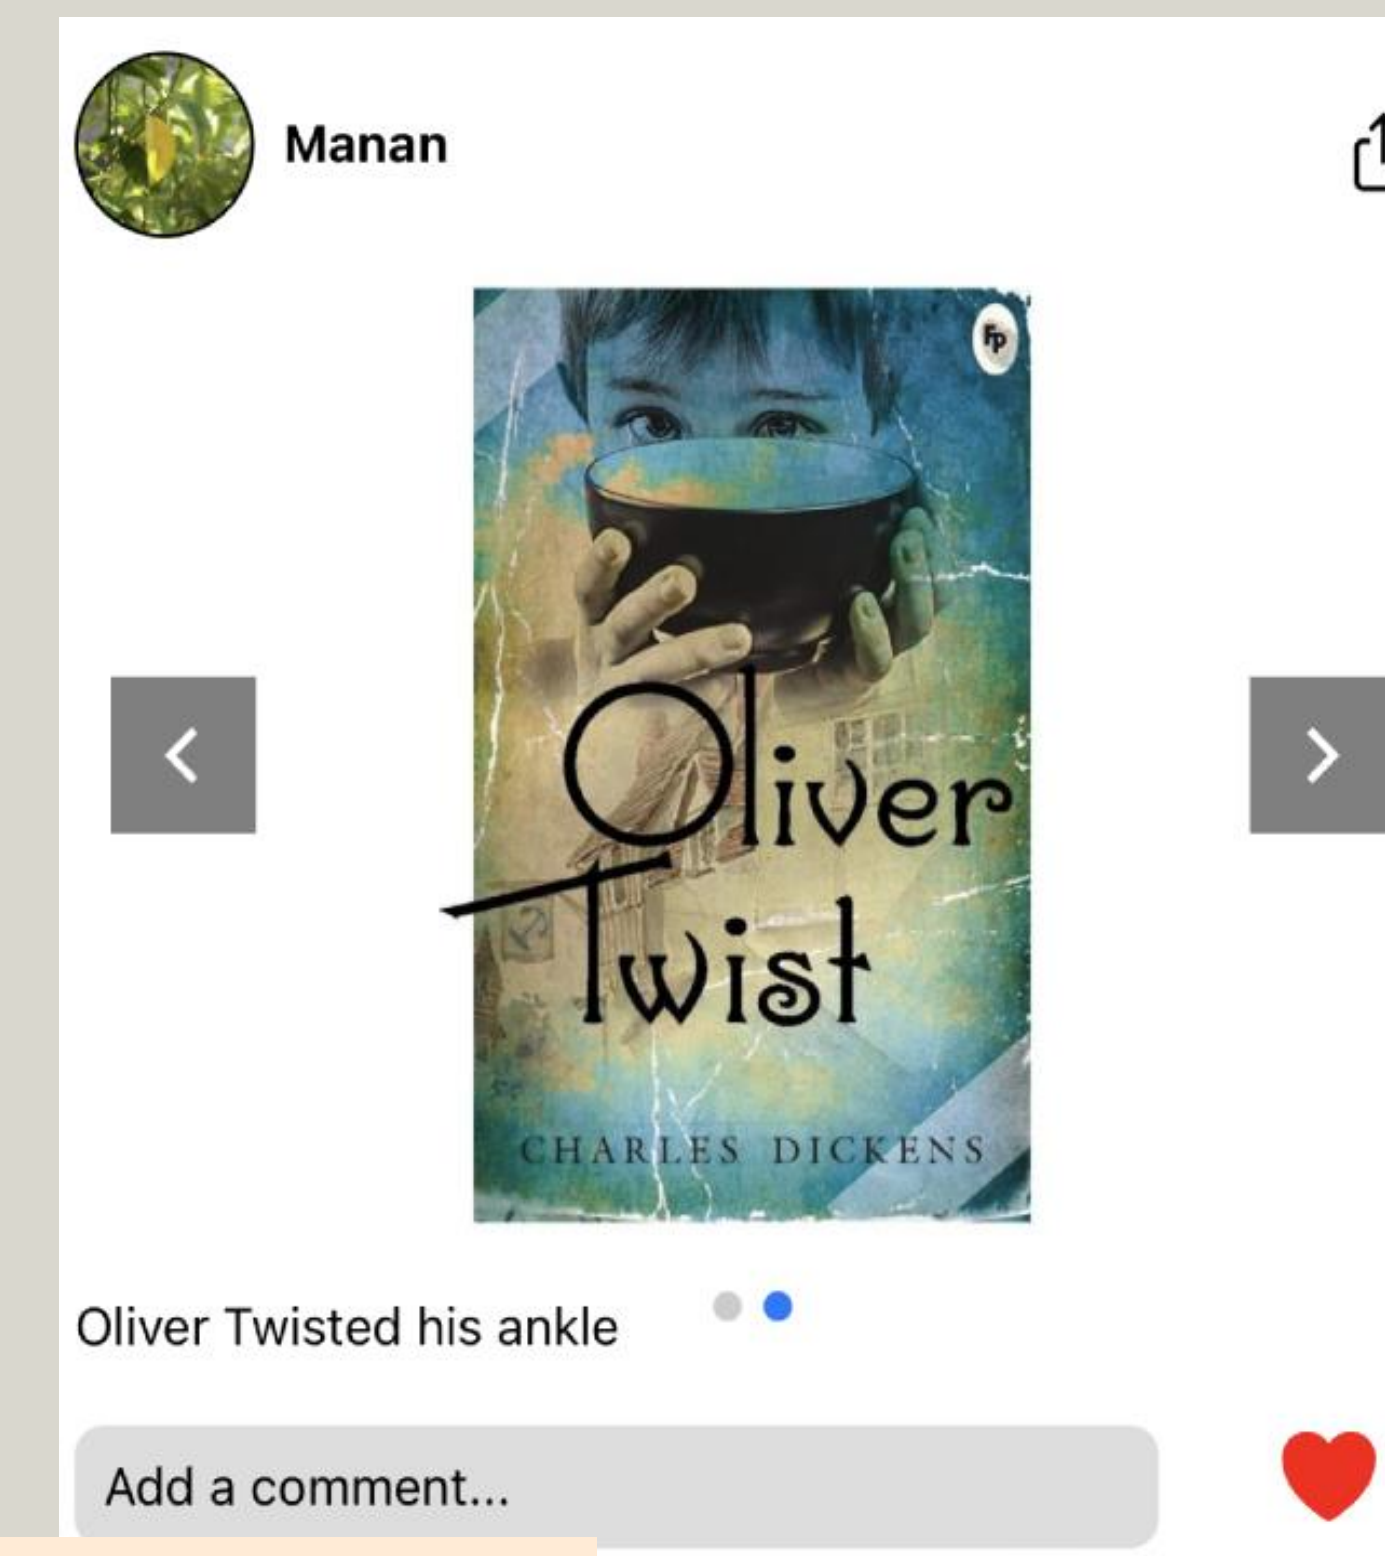

Coding  
Development  
React Native  
Firebase Firestore  
Firebase Auth.  
External APIs

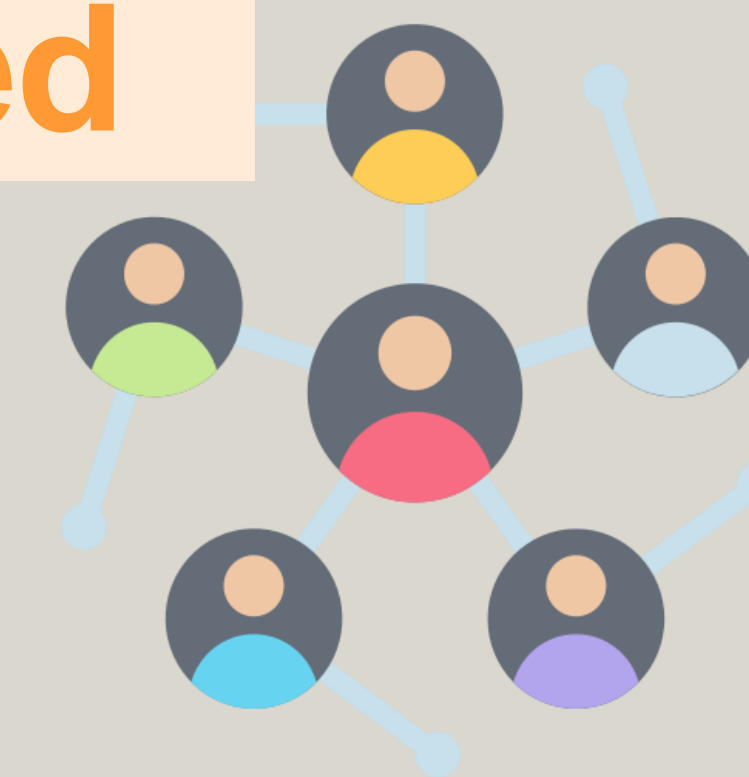

Feedback  
Integration  
Consult  
Technical  
Director
